Summer Camp 2011

Maple Tree Montessori Academy is happy to present high quality Summer Camp Programs for 2011. Each camp offers a full 3-hour Montessori Classroom session everyday, and can be followed by an afternoon of fun and enrichment activities. You can choose the sessions you would like and the length of time your child will attend varying from full days, half days or just our optional enrichment classes in the afternoons.

Summer Morning Class

Montessori Class times for Summer Camp will be from 8:30 am to 11:30 am...Monday thru Friday. This will be a full Montessori Class, including Practical Life, Math, Reading, Sensorial, Science and Cultural Studies. Each session will be focused to incorporate a Biome Study including all the aspects of a Biome and how they interrelate.

Extended Day - Class & Camp

Children may stay for lunch and outdoor play until 1:00, allowing for increased socialization and outdoor experiences.

Full Day Campers

Campers will then have story time (a chapter book for older children) or an opportunity to rest or nap (younger children). We will have water play, gardening and exploring outside and then a quiet inside "work time" including snack, peacefully winding down our day into a closing story time. Choose any hours 6:30 am – 6:00 pm.

Our summer program is a wonderful balance of intellectual stimulation, physical activity, creative expression, and just plain fun! We will be developing concentration, coordination and social skills in an exciting and rich environment designed to enhance and encourage your child's development on many levels. Join us for a great experience!

Suzuki Violin Lessons

Suzuki lessons are available to all enrolled students. Email us if you are interested in our program. We will make final schedule plans closer to Summer.

Tutoring

Summer tutoring is available by Julie Harrison, a certified Project Read and Montessori instructor with 18 years of Montessori primary teaching experience.
