

# CORONAVIRUS-19

**Video and Assignment #1 for Upper Elementary**

# PARENTS PLEASE READ OUR YOUTUBE DISCLAIMER

While the staff from Maple Tree Montessori Academy have viewed these video links this should NOT substitute for Parental Supervision. The information provided here is for informational purposes only. Please monitor your child's use of the computer while using these links.

What we would particularly like to highlight is the behaviour of YouTube especially in generating what will be played next and automatically starting the video.

We are actively seeking out relevant materials that avoid YouTube when possible.

For the occasions where YouTube is used, we would ask parents to consider turning off Autoplay on their devices as referenced here: <https://www.businessinsider.com/how-to-turn-off-autoplay-on-youtube>

Or we ask that parents to look into using the YouTube Kids App <https://www.youtube.com/kids/>

Nothing will substitute for Parental supervision and your own good judgement!!

# UPPER ELEMENTARY, GET YOUR NOTEBOOKS AND PENCILS!

Not your  
Ukuleles  
sillies!

### **SOMETHING TO THINK ABOUT?**

Do you think ALL people who have the coronavirus-19 know that they have the it?

## NOW IS TIME TO WRITE DOWN YOUR ANSWERS.

Remember to write in complete sentences with correct capitalization and punctuation.  
Don't forget good penmanship!

I'm sure I  
wrote  
"Write  
down your  
answers,  
not play  
golf."
